Protect

- ... **our teens** from an epidemic of Rx abuse. Prescriptions and over-the-counter medications are among the most commonly abused drugs by teens.
- ... **our young children** from a leading cause of accidental poisoning.
- ... **our seniors** from misuse and mistakes.

- ... **your home.** People with drug dependency are looking for drugs in medicine cabinets.
- ... **our environment.** Medications disposed of down the toilet, in soil, or in the trash end up in our water supplies and damage our environment.

For ALL prescription disposal info. & more details, go to: pncms.org/rxdrugsafety/

A collaborative effort of Auburn, Lincoln, Rocklin, Roseville and Placer County law enforcement, water quality, and public health entities as well as local schools, Raising Placer, the Coalition for Auburn & Lincoln Youth, and Rx Drug Safe Placer Nevada.
